MEMORANDUM FOR: Chief, Plans Staff, FI

SUBJECT : Extension of Project AECHAMP/FI

1. Reference is made to the request for renewal of project AECHAMP/FI submitted to you on 28 June 1954.

2. Since the submission of the above-mentioned renewal request and subsequent to discussions with [redacted], Plans Staff, [redacted], Staff C, considerable changes have occurred in the Lithuanian operational situation. These newly developed situations need immediate attention and exploitation. Accordingly, it is requested that the project renewal request not be considered by you further and that it be returned for rewriting to this division.

3. For your information, the changes mentioned in paragraph 2 above are:

- a. [redacted] and 11 will be dispatched to Lithuania to determine whether or not the alleged resistance organization "VIENYBE" is indeed a clandestine resistance element or a fabrication of the RIS. Inasmuch as it may well develop that [redacted] are completely unwitting of an RIS effort to offer this Agency a tailor-made underground operation, it may be necessary to dispatch these two agents prior to a final determination regarding the counterespionage elements.
- b. Because of recent pronounced RIS efforts in the Lithuanian field [redacted] complex and the [redacted] appearance in Germany), it is necessary to make AECHAMP/FI primarily a field project, rather than a Headquarters project, so that rapidly developing REDSKIN and CE opportunities in Germany can be more effectively exploited.

4. It is therefore requested that project AECHAMP/FI be extended through 30 November 1954. A complete project outline covering the new activities proposed will be submitted in advance of that date.
